## Facilities

---

All parents remain outdoors except drop-offs of students 5 and under. Call 614-764-1511 to talk to studio staff.

Parents may observe classes thru front studio windows or via the monitor in the office window.

Instructors will wear masks.

The studio will be sanitized throughout the day. Studios, props, bars, and mats will be wiped down after each class.

Water Fountain will be turned off. Bring your own water bottle. No food consumption in the building.

Homework lounge and dressing room are closed. Dance bags will be brought into the studio to marked places.

Practice social distancing outside the building. Masks are encouraged.

Studio floors will be marked to enforce social distancing.

Overhead doors will be open during class. Fans will remain off.

---

## Dancers Unable to Attend Class

---

Dancers may log on in Zoom during their class time to participate.

Online videos of additional choreography will be updated and available via the website.

## COVID-19 Safety Precautions

**If sick, stay home:** If you have experienced a fever of over 100 degrees F, sore throat and/or cough in the last 3 days you are not permitted in the building or in class. Dancers may participate via zoom. Please contact Office.

## DANCER INFORMATION

**Studio Arrival:** Arrive no more than 5 minutes before class. Classes are staggered to alleviate the number of dancers in the studio and parking lot at one time.

**Drop off and pick up line flow:** Enter via the East entrance to the parking lot. Keep pickup and drop-off lanes clear. Wait in your car with passenger side closest to the sidewalk until an instructor asks you to enter. Pick up: Pull up to sidewalk only when you see your dancer exit. Please no parking in the drop off/pick up lane. Use caution as more dancers will be in the parking area.

**Studio Entry:** Dancers will have their temperature taken, health assessed and use studio provided hand sanitizer.

**Little dancers (5 and under):** One parent may escort little ones into the building. Parents, please wear a mask and exit building once class begins.

**Dancewear:** All dancers should be dressed and ready to dance when they enter the building. If possible, wear dance shoes into the building (except during rain). Please minimize the number of items brought into the studio.

**Masks:** Dancers are encouraged to wear masks. Masks should cover nose, mouth, and chin.

**Restroom:** Dancers will use hand sanitizer when leaving class, wash hands after using the facilities and use hand sanitizer when returning to class.

**Studio Departure:** Dancers will use hand sanitizer when leaving class and are to exit the building immediately to their parents.

*Thank you for keeping everyone safe!*
